## Skills

- React | JavaScript | HTML | Sql | CSS | Github | Agile scrum experience | Kibana | GraphQL | Java microservices | Git | English, Yoruba

## Experience

### Software developer intern

#### Estee Lauder

Queens, NY, USA

02/2023 - 07/2023

- Proficiently building complex software projects using advanced technologies like Reactjs, HTML, and CSS, resulting in at least a 20% increase in project efficiency.
- Refactored the legacy class component into a modern functional component, effectively updating and optimizing the codebase.
- Dedicatedly learning new programming languages, such as Java, and SQL, by investing at least 5 hours a week in online courses and hands-on practice.
- Adhering to the Agile scrum framework, wherein a collection of user stories from the product backlog underwent a prioritization process for implementation within a structured four-week sprint cycle, followed by an additional two-week phase dedicated to GxP testing in according with regulatory requirements and a release in every 6 weeks

### Customer service representative

#### U-HAUL

Remote

07/2021 - 01/2022

- Managed a high-volume of incoming customer calls as a Phone Customer Service Representative at U-Haul, adeptly addressing rental inquiries, providing guidance on truck and equipment options, and assisting with reservation adjustments to ensure a seamless moving experience.
- Effectively utilized U-Haul's proprietary systems to track and update customer reservations, accurately process payments, and coordinate logistics, resulting in a significant reduction in booking errors and an increase in overall customer satisfaction.

### Customer Service

#### d&K

Newark, USA

07/2019 - 08/2021

- Digitized paper documents by efficiently converting them into electronic files and seamlessly integrating them into robust database systems.
- initiated clients in navigating legal processes by providing clear explanations of procedures, deadlines, and document requirements, ensuring accurate and timely submission of necessary materials, and fostering positive client relationships.

## Projects

### **KennysStudio** - [GitHub](#) |

- Collaborated with a team of 5 front-end developers, and to develop a responsive and visually appealing blog page
- Utilized HTML, CSS, and JavaScript to implement dynamic features such as like and dislike button, sharing post, and making and editing login profiles, enhancing user engagement and site interactivity.
- Employed git to facilitate seamless code integration and efficient collaboration, enabling the team to work concurrently on different aspects of the blog page and track changes effectively and conducted coding peer reviews

### **Refactor** - **Estee Lauder**

- Successfully refactored a complex React class component file into a modern functional component, leveraging React hooks and functional programming paradigms, resulting in improved code maintainability and readability.
- Ensured seamless integration of existing functionalities and data flows into the new functional component, performing thorough testing to validate that the behavior of the application remained consistent after the migration.

## Education

### Software development

#### YEAR UP

Broad Street, NY,USA

- Accruing 200+ hours of hands-on training in Software Development as part of a one year career development program that includes six months of college-level courses and professional training followed by a six-month internship
- Served as Operations Manager and managed the room set up, facilitated welcome, overview, and action items.

### Software development

#### TKH

Broad Street, NY,USA

- Enhance skills in HTML, CSS, JavaScript and UX/UI design in a competitive, project-based summer fellowship with 100+ hours of technology and professional development instruction
- Participate in workshops on job interviews and mentorship that include weekly engagements with tech professionals

### Diploma

#### CAMPUS HIGH SCHOOL

East orange, NJ,USA

- Graduated with a weighted 3.6 GPA while also included in honor roll
- Included in some AP coursework.
